## COMPANY PROFILE

## COMPANY

Fraline Automations Limited was formed in 2011 in response to growing customer demand for sales, marketing and technical support of electrical & instrumentation, automation components and systems. Since its inception, Fraline Automations Limited has established its reputation for high-quality sensing and control equipment at competitive prices. By helping customers increase efficiency, reduce costs, ensure quality, monitor and control processes, and safeguard employees, Fraline Automations Limited has become the partner of choice in Zambia and is slowly penetrating the entire Southern African market.

Fraline Automations Limited sells directly to end users and OEMs in a broad range of industries and applications. Primary markets are electrical, instrumentation & mechanical spares, valves & accessories, pumps; heavy duty mining spares, loco spares & services: electrical, civil rehabilitations & construction works process control and machine safety. In addition, Fraline Automations sells its products through a diverse distribution network ranging from small, specialized sensor distributors to national wholesale distribution houses. Because Fraline Automations Limited is always introducing new products and technologies, the number of industries it serves, and the number of applications in those industries, is always growing. Fraline Automations Limited's main goal is to supply and provide commodities and services above that which is currently available.

## Mission

The company's mission is to create a proudly electrical & automations Zambian company which consistently delivers value, consistent market related returns on investment and supply and provide commodities and services above that which is currently available.

## Vision

Fraline Automations Limited aims to be an inspirational and successful mining services company owned and managed by proudly Zambian engineers & mining professionals. The company also aspires, through organic and Acquisitive growth, to become a reputable player within the medium and large scale mining services industry.

## Our Values

Fraline Automations Limited is founded on strong ethical values below. These values are the cornerstone of the company and it is the responsibility of all within the company to honour and practice them throughout all its business engagements.

- RESPECT: To treat others with respect and show tolerance even during times of disagreement.
- HONESTY: To be open and truthful to the organization and all its stakeholders.
- DISCIPLINE: To practice disciplined leadership qualities at all times.
- SHARING: To sensibly share knowledge, skills and experience with stakeholders.
- DELIVERY: To deliver to its customers, all its duties and mandates, diligently and timely

## PRODUCTS

Fraline automations Limited is currently supplying the following commodities and services:

Electrical – Fraline automations Limited supplies and installs, switch gears ranging from 3.3Kv to 11Kv instrumentation sets, Rehabilitating 11kv underground electrical panels, generating sets and all overhead lines accessories.

### **OVERHEAD LINE EQUIPMENT**

We supply and export the following equipment:

#### **Overhead Conductors**

AAC, AAAC, ACSR, PHDC- Copper, ABC- LV&MV, Airdac

#### **Conductor connection accessories Al&Cu**

PG clamps, line taps, lugs, ferrules, splices and dead ends

Full tension and non tension compression connectors/joints

#### **Bus bar and conductor clamps Cu&Al**

Tee, palm, Stud, tap-off, Support, strain pistol type, expansion, coupler, trunnion, cross, wire- rope, earth rod, earth wire, suspension, pole

#### **Aerial Bundled Conductor-ABC accessories**

Strain assemblies/suspension assemblies/ dead end assemblies

ABC LV house service fittings: wall brackets, pole brackets, clamps(dead end, strain, suspension), pigtail bolts/screws

Insulation piercing connectors

#### **Stay wire assemblies- LV&HV**

Galvanized steel stay wire

Stay wire compression sleeves

Stay rods, plates, straps, wire rope thimbles, guy grips, stay insulators

**Insulators: porcelain, composite, glass, silicon rubber, fiberglass**

Stay insulators

Reel insulators

Pin type insulators

Shackle insulators

Toughened glass disc insulators

Suspension insulators

Strain insulators

Line post insulators

Station post insulators

Lightning arrestors

**Overhead line hardware and accessories**

Vibration dampers, D- irons, , straight shackles, chain links, threaded rods, HDG steel bolts, pigtail bolts, eye bolts, link plates, yoke plates, clevis/tongue/ball/socket/eye fittings, stay straps, wire rope thimbles, suspension counterweights, turnbuckles, corona rings, earth rods, strut pole brackets

**Overhead line switchgear/switch disconnections - MV**

Drop out fuse links- up to 33KV

Drop out fuse elements up to 200amps

Air break switches- ABS

Load break switches- LBS

Isolators - rocking and centre rotating

Switchgear and transformer mounting platforms

## Compression fittings

We supply copper lugs, copper ferrules, aluminum lugs, aluminum ferrules, bimetal compression terminals, pre insulated bimetal lugs, pre insulated joints, non tension joints, full tension joints, compression dead ends, T-connectors, Copper splices, ACSR splices, ACSR dead ends

## Conductor and busbar clamps

We supply Cradle clamps, Pg clamps, Line taps, Pistol grip strain clamps, Palm clamps, Earth tail clamps, Earth rod clamps

## SCHNIDER PRODUCTS

Fraline Automations Limited is an official agent and distributor of all Schneider and merlin gerin products. Ring main units, Circuit Breakers and switches, Distribution boxes, fuse switches, contactors and protection relays, industrial plugs and sockets e.t.c

## Mechanical

Fraline automations Limited supplies steel, gears, shafts, pulleys etc

## UNDERGROUND LIGHTING

## PUMPS

Fraline supplies and rehabilitates all kinds of multistage pumps. We supply pumps and components that are equivalent to the Warman, Weir and Sulzer OEM range of products.

# PUMP REHABILITATION WORKS

# FUSE PARTS/ SEMIKRONS & THYRISTORS

## TKF/ TMF/ ED / SF7/ SF8

- 80kA at 550V AC
- Total length 136mm
- Diameter 38mm
- Fixing centres 111mm

## ASSETS

Fraline automations Limited have the following vehicles one saloon, one minibus, one light truck. We also have two thirty tone trucks and one front end loader.

Welding machines, Fraline automations Limited has got two welding machines, one DC and one AC. Building Equipment concrete mixers, grinders, block making machine, boiler making accessories and building equipment and office equipment

We also have all the necessary equipment required in the installation of switch gears and overhead lines like drum jacks, cable rollers etc

## WORK FORCE

Currently Fraline automations Limited has got forty six employees We have a secretary / Administrative assistant

Two Electricians

Two Brick Layers

Five Artisans

Two Drivers

One Boiler maker

The rest of our staff is workmen who help in all our various contractual works.

Currently Fraline Automations Limited have agencies with the following organizations:

### THORNE & DERRICK UNITS 9 & 10 BIRCHILLS TRADING ESTATE – BRISTOL,UK

These are distributor of many electrical, mechanical and instrumentation engineering equipment as indicated in the footnote caption.

### SCHNEIDER ELECTRIC - SOUTH AFRICA

Schneider Electric SE is a Worldwide multinational corporation that specializes in electricity distribution, automation management and produces installation components for energy management.

### ADOR POWERTRON LTD – INDIA

Ador powertron is a world wide manufacture of High Voltage Rectifiers, High Current Rectifiers, Battery Formation Systems and test Equipments, Telecom Power supplies, Uninterrupted Power Supplies, Batteries, Solar UPS

## **SCHAUENBERG SYSTEMS**

Schauenberg Systems is the original equipment manufacturer (OEM) of all GDI Electronic Technologies, MIMACS, Fire Detection and Environmental equipment as well as V-Tracks CWS (Collision Warning Systems) and Tracking systems.

ISO 9001:2000 System Certification  
Schauenberg Systems is also the OEM and approved supplier of all Schauenberg Safe-lite Branded Caplamp equipment.

## **DONNLEE PUMP TECH**

Donnlee Manufacturers, repairers and suppliers of multistage dewatering pumps. Repair RNE, Titan and Becker vertical Spindle Pumps. Repair Warman Slurry Pumps and supply spare parts.

## **TECHNISERVE**

Techiniserve are our major supplier and partner for electrical components, i.e. switch gears, Resistors, motors and pinions

## **MAJOR CLIENTS**

### **Mopani Copper Mines**

Supply of Schneider breakers, underground lighting and many other electrical and instrumentation equipment

### **KONKOLA COPPER MINES**

Rehabilitation of underground 10tone locomotive controllers and rewinding of shaft motors. Supply of GEC winder cards, Fuse parts, Thyristor parts & Semikron parts

### **CHIBULUMA COPPER MINE (Metorex)**

Supply of Submersible Slurry Pumps, Weg Electric motors, Electricals (DB Panels) and Hardware Tools, Alternator repairs for Earth moving equipment, Soft start, Victor Plugs (male and female) angle grinders and Gully boxes.

### **LUANSHYA COPPER MINES**

Supply of Gully boxes, UPS batteries and chargers, Ramsey speed/air switches, Economy resistors, Siemens Circuit breakers/magnetic switches, Deeban Signal Lighting Boxes, Vibrator boxes, ultrasonic transmitters etc.

### **KANSANSHI COPPER MINE**

Supply of Genlux flood lights, Termination kit, Fustron/Bussman fuses etc.

Mr. Martin Sichembe

Fraline Automation Ltd Zambia  
Wednesday, September 10, 2014

Dear Sir,

RE: **Confirmation of reselling CBI electric products**

Greetings Mr. Sichembe

The letter is in the confirmation that Fraline Automation has the full right on a nonexclusive basis in the reselling of CBI Electric Solutions products and services until December 2015.

CBI Electric Solutions are a provider of Medium, Low Voltage and Automation systems and solutions for the CBI Electric Group. We offer full support of to Fraline Automation to ensure that all products offered are implemented to correct standards. All contracting would be finalized to meet CBI Electric Solutions standard terms and conditions

We believe CBI electric Solutions in support with Fraline Automation has the proven ability and commitment to ensure that our products and solutions are delivered within Zambia.

I hope this clarifies our position and we are looking forward to your positive response and we thank you for your time and consideration.

Sincerely

Dear Sir(s)/ Madam(s),

Re: FRALINE AUTOMATIONS LIMITED

I have pleasure in informing you that the above named company has been entered on the Register of Companies with effect from 7<sup>th</sup> day of October, 2011 and I therefore, enclose Certificate of Incorporation No. 96083 and a Certificate of Share Capital.

You are informed to take note of the mandatory post-incorporation procedures, especially section 18 of the Companies Act (Chapter 388 of the Laws) which prohibits a private company from commencement of business *until* shares valued K50,000 have been allotted and paid for and a statutory declaration made and filed with the Registrar to that effect.

Your attention is further drawn to the provisions of sections 48, 66, 92, 97, 160, 224 and 225 of the Act regarding the maintenance of statutory books such as Register of Members, Directors, Secretaries, Debentures, Minute Books and the issuance of Share Certificates to members within two months from the date of allotment. You are further reminded of the requirements of Part VIII of the Act regarding the submission of directors' statement of accounts and annual general meeting of the company.

The consequence of non-compliance is grave and may lead to directors and shareholders being prosecuted and your company being struck-off the Register.

Yours faithfully,

W. Banda

Assistant Registrar of Companies
